ALL-COUNTY INFORMATION NOTICE NO. I-06-91

TO: ALL COUNTY WELFARE DIRECTORS
ALL COUNTY GAIN COORDINATORS

SUBJECT: GREATER AVENUES FOR INDEPENDENCE (GAIN) PROGRAM UPDATE

The State Department of Social Services recently completed a survey of Counties regarding innovative designs that have been created and the positive working relationships that have been developed with local entities to provide GAIN services. The information received was extremely helpful and will continue to be important to us in order to respond to Federal and other inquiries, and to prepare for upcoming legislative budget hearings.

Enclosed is a copy of the November 1990 version of the GAIN Program Update. Your County's input into this document was vital to our completion of this project. We are also preparing a summary of the other innovative ideas that Counties have developed to operate GAIN in their locality. We will forward this information to you as soon as we complete the summary. We hope this information will be useful to you as you continue GAIN Program activities in your County.

Once again, I want to express my appreciation to you and your staff in completing this update. Thank you for your assistance.

A handwritten signature in dark ink, appearing to read "D-J Boyle", is written over the typed name of the Deputy Director.
